

# EXHIBIT G

## DECLARATION OF JAMESON CRONEY

I, Jameson Croney, have personal knowledge of the facts set forth below and if called to testify about them, I would do so competently.

1. My name is Jameson Croney. I am over the age of 18.
2. On November 23, 2022, I received an email from a Wealth Assistants employee. The email included a link to a recording of a video call I had previously had with OConnor.
3. Below is a true and correct copy of a screenshot of the video linked in the email referenced in the paragraph above. The screenshot shows a spreadsheet titled “Revenue Projection” that projects a store Wealth Assistants managed would generate more than \$24,000 of profits per month by the end of the first year. I relied on those financial projections when deciding to purchase the business opportunity Wealth Assistants was offering.

Month	Total Sales	COGS	Gross Profit	Net Profit 70%
1	\$24,800	20000	\$4,800	\$3,360
2	\$28,966	\$23,360	\$5,606	\$3,924
3	\$33,833	\$27,284	\$6,548	\$4,584
4	\$37,200	\$30,000	\$7,200	\$5,040
5	\$43,450	\$35,040	\$8,410	\$5,887
6	\$50,749	\$40,927	\$9,822	\$6,876
7	\$59,275	\$47,802	\$11,473	\$8,031
8	\$69,233	\$55,833	\$13,400	\$9,380
9	\$80,864	\$65,213	\$15,651	\$10,956
10	\$94,450	\$76,169	\$18,281	\$12,796
11	\$110,317	\$88,965	\$21,352	\$14,946
12	\$128,850	\$103,912	\$24,939	\$17,457
<b>Year 1 Totals</b>	<b>\$761,987</b>		<b>\$147,481</b>	<b>\$103,237</b>
13	\$150,497	\$121,369	\$29,128	\$20,390
14	\$175,781	\$141,759	\$34,022	\$23,815
15	\$205,312	\$165,574	\$39,738	\$27,816
16	\$239,804	\$193,391	\$46,414	\$32,490
17	\$280,091	\$225,880	\$54,211	\$37,948
18	\$327,147	\$263,828	\$63,319	\$44,323
19	\$382,108	\$308,151	\$73,956	\$51,769
20	\$446,302	\$359,921	\$86,381	\$60,467

Projections such as those related to projected revenue and profitability levels are only predictions. No assurances can be given that the future results indicated, whether expressed or implied, will be achieved. While sometimes presented with numerical specificity, any Projections are based upon a variety of assumptions that may not be realized, and which are highly variable.

4. In November of 2023, my partner Michelle Acosta-Croney I signed a “Service Agreement For Ecommerce Store Management,” which was countersigned by Ryan Carroll on behalf of Wealth Assistants.
5. On November 30, 2023 I received an email from Justin OConnor asking me to wire money to an account held by Wealth Assistants at Evolve Bank & Trust. The account number for Wealth Assistants’ bank account requesting the wire transfer ended in 6732.

6. On May 26, 2023 I received an email from the email address [clientinvoices@wadistributions.com](mailto:clientinvoices@wadistributions.com). The email requested that I wire an inventory payment to an account held by “WA Distribution LLC” at Thread Bank with an account number ending in -0635.
7. On July 3, 2023, I received an email from [no-reply@wealthassistants.com](mailto:no-reply@wealthassistants.com) requesting that I wire money for an inventory payment to a bank account held by “Wealth Assistants LLC” at Thread Bank with an account ending in -3710.
8. Exhibit 1 to this Declaration is a true and correct copy of an email I received from Terry Kruse of Wealth Assistants. That exhibit shows Kruse emailed a list of items that were purportedly “Active Products” in my store. I then emailed Terry stating, in part, “Currently if I look up our store on Amazon we are currently selling zero items. The items that you listed above from May are being sold in other stores, not in ours?” She did not explain why, despite the list she provided me, there were zero items being sold in my store.
9. I paid \$115,000 to Wealth Assistants for my Onboarding fee and I paid more than \$20,000 to Wealth Assistants for inventory.
10. As of December 10, 2023, I had received less than \$2,000 of revenue from my store over the store’s lifetime.

I declare under the penalty of perjury under the laws of the State of California, and under the penalty of all perjury laws of all other states in the United States, that the foregoing is true and correct.

Signature: Jameson Croney

Terry,

So are you saying that the \$5000 working cap we just had in there is the funds to cover the 1860 new units coming to our store? And so we have now 14K for future orders? Is that correct  
Also are you able to provide the invoice for the 1860k, so we can see what is going in the store.  
Currently if I look up our store on Amazon we are currently selling zero items. The items that you listed above from May are being sold in other stores, not in ours?  
Thank you for sending me the link to the portal again but the portal has not updated any numbers for weeks. It is not a real time update at all, can you please explain how often it updates?

The info pasted below is all the info I can see: Latest invoice showing May, not Aug. Sales do not match the number you are telling me at all. And I have never seen anything showing in th

Good Day,  
Here is your Store Update.  
You have an excellent baseline of product building. There is a shipment with 1850 items headed to your store and sales are happening.  
Remember that August is typically a slow month for sales in the Amazon spaces.
